SUBJECT: CIVIL CITY PURCHASE ORDER #A-005096 FOR ONE (1) DUMP TRUCK FOR THE TRAFFIC ENGINEERING DEPARTMENT.

Gentlemen and Mrs. Schmidt:

Civil City Purchase Order A-005096 for one (1) dump truck for the Traffic Engineering Department has been assigned to Hefner Chevrolet.

Traffic Engineering has said that the dump truck to be traded in has developed a serious transmission problem and has been taken out of service. Hefner Chevrolet was the lowest bidder of the three bids received. The truck is in stock and ready for immediate delivery.

Because of the Traffic Engineering Department need for the new truck and the better price for in-stock vehicles, the Board of Public Works respectfully requests a "Prior Approval".

Special Ordinance for formal approval will be submitted in the near future.

Sincerely,

BOARD OF PUBLIC WORKS

Please be advised we have reviewed bid specifications number 994 for the purchase of a 1981 dump truck and have found Hefner Chevrolet to be the low bidder at $7,320. We also viewed at Hefner's the truck that was bid and have found that it does satisfy our needs.

Would you please, at your earliest opportunity, initiate the purchase order for same. The dump truck to be traded in has developed a serious transmission problem and has been taken out of service.
